

5TH ANNUAL UNIVERSITY HUNGER SUMMIT

STUDENT HOUSING APPLICATION

During these harsh economic times, the hosts of the 4th Annual University Hunger Summit are making every effort to ensure affordability for all interested parties in attending. With this in mind, we have created a roommate matching service in which summit participant who express a need for accommodation are paired with Auburn students, faculty, staff, and community hosts.

It is likely that your host will also be attending the summit, which will facilitate your transportation to and from the Auburn University Hotel and Conference Center. If you are paired with someone that is not attending the conference, our logistics committee will gladly help to arrange transportation for you.

Participation in this service is voluntary (not required) and lodging assignments will be done on a first come, first serve basis due to limited space availability. If you are interested in taking advantage of this free program, please complete and submit the form below by February 17th, 2010 (4:00 p.m. CST). Forms can be submitted via e-mail to 0hunger@auburn.edu, mail to 210 Spidle Hall, Auburn University, AL 36849, or fax to 334-844-3749.

If you choose to stay at The Hotel at Auburn University and Dixon Conference Center the Deluxe rooms in the Hunger Summit block, if reserved on or before February 17, 2010, are \$99 per night or visit <http://www.auhcc.com> for more information.
